Physician Assistant – Outpatient Psychiatry (Private Practice)

Harmony Medical Associates • Fishers, IN

About the Role

Harmony Medical Associates is seeking a compassionate, team-oriented **Physician Assistant** to join our outpatient psychiatry practice. You will care for children, adolescents, and adults in a supportive, collaborative environment that emphasizes evidence-based care and excellent patient experience.

Key Responsibilities

- Psychiatric evaluations and follow-ups
- Medication management and patient education
- Collaborate with supervising psychiatrist and team
- Timely, accurate EMR documentation
- Participate in treatment planning and care coordination

Qualifications

- Active Indiana PA license
- NCCPA certification; prescribing authority (or eligibility)
- Psychiatry/behavioral health experience preferred (not required; training provided)
- Strong communication, empathy, and interpersonal skills

What We Offer

- Competitive compensation
- Paid time off (PTO) and 401(k)
- Flexible scheduling
- Supportive team environment
- Established patient base

To Apply: Send CV + brief cover letter to harmonymedassociates@gmail.com
