

Carle Foundation Hospital

Level 1 Trauma Center

Emergency Department in Urbana, Illinois

Full-time

(New Graduate Friendly)

Urbana, Illinois. We have a well-established group of over 15 APPs with an overall average tenure of over 7 years within the Carle ED. We provide a 3-month Orientation period where a new graduate will be paired with APPs within the department, as well as a 2-year period where all patients must be staffed with an MD/DO to help provide extra support and guidance to new graduates as they transition to practice.

- Great base pay even for new graduates with annual market evaluations
- High productivity RVU bonuses after meeting national benchmarks
- Night and weekend shift differentials
- \$2,500 annual CME allowance and 40 hours of paid CME time-off
- Rotating schedule of 13 shifts per 4-week block for full-time, no flip-flopping between days/nights, 12-hour shifts.
- Able to see ESI 1-5 patients, not limited just to "fast-track". We do not have an EM Residency for MD/DOs.
