

## Physician Assistant – Women’s Health | Effingham Obstetrics & Gynecology

### Location: Effingham, Illinois

Effingham Obstetrics & Gynecology, a Together Women’s Health partner, is inviting a full-time Physician Assistant to join our respected and collaborative women’s health team in the heart of Central Illinois. This is an outstanding opportunity to practice full-scope women’s health in a supportive environment that values balance, mentorship, and meaningful patient relationship.

### Why You’ll Love This Role

- **Lifestyle-Friendly Schedule:** Enjoy a **4-day work week (8-hour days)** with **no call** and **flexible triage** collaboration.
- **Team-Oriented Culture:** Join a **10-provider team** (physicians, PAs, and CNMs) known for its collegial, patient-first approach and supportive work environment.
- **Mentorship & Surgical Opportunity:** Work alongside experienced OB/GYNs and advanced practice providers with opportunities for **GYN procedures and surgical assisting** based on your interests.
- **Make a Real Difference:** Deliver compassionate, comprehensive care to women of all ages in a community that deeply values access to high-quality women’s health services.

### Practice Snapshot

- Clinical Scope Includes:
  - GYN-focused care: annual exams, problem visits, abnormal bleeding, pessary fittings, and maintenance
  - Office-based procedures: PTNS, IUDs, Nexplanon, colposcopy, endometrial biopsies, urodynamics (if desired), skin tag and STD treatments
  - Opportunity for surgical assisting for those interested
- Setting: Effingham, IL
- Hospital Affiliations:
  - HSHS St. Anthony’s Memorial Hospital – Effingham, IL
  - Sarah Bush Lincoln Health Center – Mattoon, IL
- Support Structure: Dedicated MA support and a collaborative physician and APP team.

### Compensation & Benefits

- Competitive Base Salary: Commensurate with experience and schedule (target range \$95K–\$108K)

- Production Bonus: Uncapped earnings via TWH's net collections model
- Signing & Relocation Incentives: Available for qualified candidates

**Comprehensive Benefits Package:**

- Health, dental, vision, and paid maternity leave
- 401(k) with company match
- CME allowance and paid CME time
- Licensing, malpractice, and paid time off

**Qualifications**

- Active, unrestricted Physician Assistant (PA) license in Illinois
- Experience or strong interest in women's health preferred (mentorship available for new grads)
- Excellent communication skills and a warm, patient-centered approach
