## **BUTLER UNIVERSITY • DEPARTMENT OF ART**

## B.A. IN ART + DESIGN *PLUS* A SECONDARY MAJOR IN SCIENCE, TECHNOLOGY, AND SOCIETY (STS)

- The B.A. degree in Art + Design requires 120 credits.
  - --40 hours must be 300 or 400-level courses.
  - --All art majors have Arts Event Attendance Requirements; for details, check https://www.butler.edu/jca/for-current-students.
- The double major of Art + Design and STS will fulfill the following Areas of Inquiry in the University Core Curriculum: Perspectives of the Creative Arts and The Natural World. In addition, the B.A. Art + Design curriculum fulfills the Indianapolis Community Requirement of the Butler University Core Curriculum; art majors fulfill the Butler Cultural Requirement because of the arts event attendance requirements for all arts majors.
- Students are encouraged to choose a concentration within the Science, Technology, and Society major: Technology Studies, Health Studies, or Justice, Equity, and Democracy. Each concentration requires nine credits chosen from a subset of electives; these nine credits will satisfy half of the 18 required elective credits.
- The student will be assigned an STS advisor in addition to their Art advisor.
