

Art Emphases

The following areas of Emphasis (15 credit hours) are not stand-alone degrees; they are to be completed along with any art degree (BA in Art + Design, BA in Art Education, BA in Art History, BA in Graphic Design, BA in Photography, BFA in Studio Art, BS in Arts Administration-Art, or BS in Arts Administration-Art History). Students may elect to complete one or more of these areas of Emphasis. At least 50% of the credits in any Emphasis must be unique to that program and may not overlap with another Emphasis, major, or minor (except as free electives). A grade of C or higher is required for all coursework. Completion of one or more of these will be shown on the student's transcript upon graduation from Butler.
