Transfer Credit Policies:

- Butler will grant transfer credit only for courses taken at an accredited college or university.
- Butler will grant transfer credit only for courses passed with a letter grade of "C-" or better. Please note that some majors/minors require coursework to be completed with a grade of C or better for the course to count toward the major/minor requirements.
- Transfer courses may not be taken pass/fail.
- Grades earned elsewhere in no way affect the Butler grade-point average since only hours, not grades, transfer. Thus, a student's grade point average is computed only on his/her Butler grades.
- Transfer credit will not be granted for any course which duplicates one passed at Butler. A grade earned at Butler cannot be replaced with a higher grade earned elsewhere.
- Credits earned at an institution which is on the quarter system will be converted to semester hours at Butler University. Three quarter hours equal two semester hours at Butler; four quarter hours equal two-and-two-thirds semester hours at Butler; five quarter hours equal three-and-one-third semester hours at Butler.
- Butler transfers the number of credits earned by the student which may, or may not, match the credit value associated with the equivalent course at Butler.
- Students within 30 hours of graduation must obtain special permission ("Request for Permission to Transfer Credits in the Last 30 hours" form) from their college dean to transfer credits to Butler during their final 30 credit hours.

Notes for Core Curriculum Course Approval:

- A maximum of six hours of on-line courses may be transferred for Core Curriculum coursework.

Notes for Lacy School of Business (LSB) Course Approval:

- Business courses must be from an AACSB Accredited Institution.
- Lacy School of Business students cannot transfer a business course from another university if they have already enrolled in that course at Butler, even if they have not completed the course.
